	Business status	Verify the authenticity of the address and the corresponding business in person	<p>1. Address: 5th Floor, XXX Building, Chengdu City, Sichuan Province.</p> <p>When our interviewer arrived at XXX Building in Chengdu, Sichuan Province, he asked the front desk of the property management in the hall if Chengdu XX Technology Co., Ltd. was operating there. The front desk informed him that it was on the 5th floor. After reaching the 5th floor, it was found that there was no floor number. The left passage of the elevator was the glass door of Chengdu XX Technology Co., LTD. Behind the door was a LOGO wall and the front desk reception. There was a camera above the glass door. There was a nameplate of Chengdu XX Technology Co., Ltd. beside the glass door on the opposite side of the elevator. As a lady at the front desk was working facing the door, the interviewer tried to take pictures from an Angle blocked by the couplet on the glass door. The glass door had an electronic access control system. As there were people coming in and out from time to time, the glass door was not closed. Looking inward from the glass door, it seemed to be a reception area, and the office area was not visible. As the XXX building was seen as a small office building from outside the building, the interviewer went down to the 4th floor</p> <p>2. through the passageway to the fire escape on the other side of the building, and from the escape to the 5th floor, the fire escape door on the 5th floor was open, and there were people smoking and chatting on the 4th and 5th floors and could not be determined if they were employees of Chengdu XX Technology Co., LTD. The interviewer still looked in through the open fire door, which was the office area behind the LOGO wall of Chengdu XX Technology Co., LTD. It was a large office area with many desks and staff, and the office computers were all on. The interviewer quickly took a photo with his camera and left. In the lobby on the first floor of XXX building, the interviewer wanted to take a photo but was stopped by the property front desk staff. The interviewer told the property front desk that he had just passed the interview at Chengdu XX Technology Co., Ltd. and asked about the company's operation. The property front desk said that Chengdu XX Technology Co., Ltd. had been operating in XXX building for one or two</p>	

years and had been operating normally without obtaining any other negative information. At the same time, the interviewer did not see the nameplate of Chengdu XX World Network Technology Co., Ltd. and was unable to obtain Chengdu XX World Network Technology Co., LTD Information.

Address: 77 XXX Road, High-tech Zone, Chengdu City, Sichuan Province.

Our interviewer arrived at No. 77, XXX Road, High-tech Zone, Chengdu City, Sichuan Province, and found that it was a Japanese restaurant. The mobile phone map also showed that it was Chengdu Xiyuetang Catering Management Co., LTD. The interviewer took pictures outside first. When he reached the door, he intended to go in and have a look, but suddenly someone asked if he wanted to eat and looked at the interviewer's backpack with the camera. The interviewer mentioned Chengdu XX Technology Co., LTD

The man simply said he didn't know and asked the interviewer again if he was coming for a meal. The interviewer continued to ask that Chengdu XX Technology Co., Ltd. was registered here and if he was working there. The man said this was the restaurant and continued to ask the interviewer if he was going to eat. The interviewer did not enter the restaurant. No information about Chengdu XX Technology Co., Ltd. and Chengdu XX Heaven and Earth Network Technology Co., Ltd. was obtained there.
